City, ST ZIP Code

Dear Donor Name:

Thank you for donating to the Media Club Fundraiser during the Poetry Slam. Your contribution will ensure the future of the event, as well as fund the next generation of students through scholarships made possible by your donation. Donations such as yours, no matter how little, go a long way to creating a big impact on the lives of students and their education. Events like the poetry slam would not be possible without contributions of individuals like you, who strive to make a difference in their community by funding the future of education. So once again, on behalf of the Media Club, thank you for your contribution and your commitment to ensuring the future of media education at Cumberland County College. And for making events such as the slam possible.

Sincerely,

Michael A. Guilford
